

**HGE 23-650 LCD (603065000) Hot air gun**  
**Cardboard box**

Order no. 603065000  
EAN 4061792185913

Product may differ from Image

- Precise hot air gun with LCD display for precise setting of temperature and air volume for different materials and applications
- Settings programmable to be retrieved for frequently recurring applications
- High-quality ceramic heating, powerful motor and optimum device cooling for long service life
- Wide range of uses: removal of varnish, shaping, crimping, welding and much more
- LCD temperature display for material-matched working
- Ergonomic design and handle with non-slip soft-grip surface provides convenient handling
- Safe stationary application due to large non-slip floor space

**Technical data****Characteristics**

|                                  |                               |
|----------------------------------|-------------------------------|
| Air volume                       | 150 / 500 l/min // 5 / 18 cfm |
| Number of air volume levels      | infinitely variable           |
| Air temperature                  | 80 - 650 °C // 176 - 1200 °F  |
| Number of air temperature levels | infinitely variable           |
| Input power max.                 | 2300 W                        |
| Weight (without power cable)     | 0.7 kg / 24.2 oz              |
| Cable length                     | 4 m / 13 ft                   |

**Scope of delivery**

Wide jet nozzle (50 mm)  
Wrap around nozzle
